HOW TO ORDER

1. EMAIL OR FAX US YOUR ORDER FORMS

We strive to bring your client's vision to life starting with the very first proof set. Complete order forms are the best way for us to clearly understand your order and send an accurate proof. The more detail the better! We welcome any available supporting references including sketches, inspirations, and word documents.

Our order form is available in two formats to choose from:
Download & Print PDF and Electronic Form PDF
Both versions can be found on our websites within Dealer Resources.

Submit your form via email or fax:
orders@stationeryworks.com
f 513.831.0103 or f 866.317.4157

2. WE EMAIL YOU AN ORDER CONFIRMATION

Look for an order confirmation email within 1 business day. If you do not receive a confirmation, please contact us to be sure we received your order successfully.

3. WE EMAIL YOU A **FREE** PROOF SET AND COVER SHEET

Your first complimentary proof will arrive via email within 1-2 business days of confirming your order.

Our proofs are sent in color, to size, and include all the necessary production details in the header. PLEASE check ALL information! Read your text to make sure everything is spelled correctly, check dates and addresses and times and venues, and then read all the text again! Check, check, and triple check!

Need to make some changes? Up to three complimentary proof sets are included with your order, and like new orders, we send revised proof sets within 1-2 business days. Orders with lots of custom design work may receive fewer complimentary proofs. Additional proof sets are available for \$40 retail each.

4. EMAIL OR FAX US YOUR APPROVAL

When your proofs are just perfect, please fax or email signed approved proof versions for each item along with your cover sheet. In order to make certain we know exactly which version(s) you are expecting we will only proceed to print once these signed forms have been received.

5. WE EMAIL YOU AN APPROVAL CONFIRMATION

We will confirm in one business day that we've received your approval and provide an anticipated ship date. Like sending in orders, if you don't receive our confirmation email then we didn't get your approval and the order remains on hold.

The image shows a detailed order form from Stationery Works. It includes sections for Designer's Fine Press, Checkerboard, and Lallie. There are checkboxes for 'Text Below', 'Text Supplied in Word Doc (or email)', and 'Include Form Included'. The form also has a 'QTY (CARD)' section with a grid for quantity and a 'QTY (ENVELOPES)' section. A large blue oval with white text is overlaid on the form, reading 'COMPLETE FORMS = FAST & ACCURATE PROOFS'. The form also includes sections for 'FINISHING', 'SHIPPING', and 'PRINTING'.

**NO FAX?

**3 FREE

The image shows a wedding invitation design from Stationery Works. The invitation is for Lydia Brennan and Martin Corrigan, dated Saturday, the twenty-eighth of September, two thousand twenty-four. HOW TO ORDER...

1. ORDER FORMS

Order forms are the best way for us to clearly understand your order and successfully send you an accurate Proof. Feel free to send us wording via email to accompany your order form. Order forms can be found on our websites. Please note that an order received without a form could delay your proof and take additional design time.

2. PROOFS

You will receive a color proof via email within 1-2 business days. Up to three complimentary proof sets are included with each order. If additional proofs are needed, they are \$40 per Proof Set. Orders with custom design work may receive fewer complimentary proofs.

Color Proofs are representative of card layout and typesetting, but not of actual printed ink or foil color. Proofs viewed on computer monitors and/or printed from digital/laser/inkjet printers are not accurate in their representation of how the printed ink or foil will appear. Please refer to our ink and foil swatches and album suites for a more representative color.

It is your responsibility to carefully check all details of each proof before providing an approval. Stationery Works is not responsible for any errors or revisions after approval and/or printing, including errors introduced by Stationery Works during order set up and proofing. Any and all costs associated with revisions requested by the customer after providing approval will be the responsibility of the customer.

3. APPROVALS

To approve your order, please sign each proof and fax or scan and email them back to us. We will ALWAYS send you an email confirmation within 1 business day of your approval. If you do not hear from us, please contact us!

IN A HURRY?

4. RUSH REQUESTS

Rush requests can typically be accommodated. Please see our Rush web page (designersfinepress.com/page/DealerResources) for current timing and pricing information. Rush Fees start at \$150 (4-5 business day turn) and increase depending on season, print methods, pieces in order, etc. Please note that we will need to review the order to ensure stock and production capabilities before we can confirm the Rush processing.

If you need a Proof Rushed, the fee is \$40 per Proof Set and will be sent within 4 business hours of our order confirmation.

5. ENVELOPES ONLY OR SHIP AHEAD

Add \$100 if you are ordering only printed Envelopes or if you would like your Envelopes to print and ship ahead (only if approved ahead) of the rest of your order.

CUSTOMIZE!

6. FLAT FEES - ADDITIONAL INKS

Add \$100 to your order if you would like a matte finish to any Thermography ink (not available for Gold or Silver).

9. SUPPLIED ARTWORK

There are no fees if artwork is received "Print-Ready" (see the Creative Library for file requirements). Design Fees, starting at \$40 per file, apply if the file(s) need adjustments to make Print Ready. Feel free to send in your artwork prior to order submission for us to review and advise.

10. HEBREW & FOREIGN LANGUAGE

Use our Hebrew Conversion Chart found on our website to incorporate Hebrew into your order. Typesetting of Hebrew is \$20 for the first line and \$10 for each additional line. To typeset a Foreign Language (using the Roman Alphabet) add \$25 per card.

Additional visual aids like images or pdfs or typed word docs are welcomed to help assure typesetting accuracy.

Supplying print ready (see Creative Library for file requirements) files do not incur the typesetting fee.

11. SUPPLIED PAPER AND ENVELOPES

We are happy to consider requests to print on custom supplied paper and envelopes. Please contact us prior to ordering stock to confirm the feasibility and quantity of the items you are interested in supplying to us. It is the responsibility of the Dealer to ensure that the dimensions of the supplied stock are compatible with our products. Please know that we do not extend a credit for supplied stock, but we also do not charge extra for its handling.

13. EASY STICK ENVELOPE TAPE

Add easy release tape to your *Square Flap* Envelope for an additional \$.30 per envelope.

14. SEALING & MAILING YOUR ENVELOPES

A good seal is the final step to ensure that invitations arrive safely. Too much or too little moisture on the gum line can affect how well the glue adheres. We recommend using double sided tape for the best sealing success.
